W.A.Ve. 2017 – Syria the Making of the Future aims to be a plant fruitful seeds and nurture ideas.

W.A.Ve. 2017 – Syria the Making of the Future focused the attention of the global architectural culture on the urbicide of Syrian cities and fully reaffirmed the membership of the country in the cultural heritage of humanity and the cosmopolitan responsibility for its reconstruction.

W.A.Ve. 2017 was organized in Venice by Università Iuav di Venezia reaffirming its attention to the most critical events taking place in the world and its involvement in reconstruction, conservation, urban transformations of architecture.

W.A.Ve. 2017 - Syria the Making of the Future wants to pay attention to the attention of the architectural culture of the world to the urbicide of Syrian cities and re affirmed the country's membership in the cultural heritage of humanity and the cosmopolitan responsibility for its reconstruction.

W.A.Ve. 2017 è stato organizzato a Venezia dall'Università Iuav di Venezia, riferendo la sua attenzione agli eventi più critici che accadono nel mondo e il suo coinvolgimento nella ricostruzione, conservazione e trasformazione urbana dell'architettura.

La collana di libri W.A.Ve. 2017 Syria - the Making of the Future collects the results of the workshops, searching for local and global efforts in the process of reconstruction through the work of 1341 young students guided by 26 groups of professors.

“W.A.Ve. 2017 – Syria the Making of the Future aims to be a plant fruitful seeds and nurture ideas.”
