### D. Respect of fundamental principles and other mobility requirements

The higher education institution(s) located in a **programme country**<sup>3</sup> of Erasmus+ must respect the Erasmus Charter for Higher Education of which it must be a holder. The charter can be found here:

[http://eacea.ec.europa.eu/funding/2014/call\\_he\\_charter\\_en.php](http://eacea.ec.europa.eu/funding/2014/call_he_charter_en.php)

The higher education institution(s) located in a **partner country** of Erasmus+ must respect the following set of principles and requirements:

The higher education institution agrees to:

---

<sup>2</sup> See Common European Framework of Reference for Languages:  
<http://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>

<sup>3</sup> Erasmus+ programme countries are the 28 EU countries, the EFTA countries and other European countries as defined in the Call for proposals.

- Respect in full the principles of non-discrimination and to promote and ensure equal access and opportunities to mobile participants from all backgrounds, in particular disadvantaged or vulnerable groups.
- Apply a selection process that is fair, transparent and documented, ensuring equal opportunities to participants eligible for mobility.
- Ensure recognition for satisfactorily completed activities of study mobility and, where possible, traineeships of its mobile students.
- Charge no fees, in the case of credit mobility, to incoming students for tuition, registration, examinations or access to laboratory and library facilities. Nevertheless, they may be charged small fees on the same basis as local students for costs such as insurance, student unions and the use of miscellaneous material. Incoming students registered at Iuav for the Double Degree Programme, to obtain the Diploma at the end of the study period, must pay taxes required by Italian Government. (See "During and After the Mobility")
- Provide scholarships to exchange students/staff, if higher education institutions obtain grants from European Union, University Ministries, Public and/or Private organizations.

If they receive no grants, the costs of visas, insurance, travel, housing and other costs of life in the foreign country are the student/staff's responsibility.

The higher education institution located in a **partner country** of Erasmus further undertakes to:

#### **Before mobility**

- Provide information on courses (content, level, scope, language) well in advance of the mobility periods, so as to be transparent to all parties and allow mobile students to make well-informed choices about the courses they will follow.
- Ensure that outbound mobile participants are well prepared for the mobility, including having attained the necessary level of linguistic proficiency.
- Ensure that student and staff mobility for education or training purposes is based on a learning agreement for students and a mobility agreement for staff validated in advance between the sending and receiving institutions or enterprises and the mobile participants.
- Provide assistance related to obtaining visas, when required, for incoming and outbound mobile participants. Costs for visas can be covered with the mobility grants. See the information / visa section for contact details.
- Provide assistance related to obtaining insurance, when required, for incoming and outbound mobile participants. The institution from the Partner country should inform mobile participants of cases in which insurance cover is not automatically provided. Costs for insurance can be covered with the organizational support grants. See the information / insurance section for contact details.
- Provide guidance to incoming mobile participants in finding accommodation. See the information / housing section for contact details.

#### **During and after mobility**

- Ensure equal academic treatment and services for home students and staff and incoming mobile participants and integrate incoming mobile participants into the institution's everyday life, and have in place appropriate mentoring and support arrangements for mobile participants as well as appropriate linguistic support to incoming mobile participants.

- Accept all activities indicated in the learning agreement as counting towards the degree, provided these have been satisfactorily completed by the mobile student.
- Provide, free-of-charge, incoming mobile students and their sending institutions with transcripts in English or in the language of the sending institution containing a full, accurate and timely record of their achievements at the end of their mobility period.
- Support the reintegration of mobile participants and give them the opportunity, upon return, to build on their experiences for the benefit of the Institution and their peers.
- Ensure that staff are given recognition for their teaching and training activities undertaken during the mobility period, based on a mobility agreement.
- To obtain the double degree diploma, incoming students to Iuav are required:
  - to pay taxes required by Italian Ministry of University;
  - to deliver/send a copy of the thesis;
  - to provide for double degree administrative requirements by Iuav University (included AlmaLaurea)
- To obtain the double degree diploma, incoming students to U MAYOR are required:
  - to deliver/send a copy of the thesis
  - to provide for double degree administrative requirements by MAYOR University (complete description of all classes taken by the incoming students, including credits and hours of each)
  - Finish and present the Professional Internship report

#### **E. Any additional requirements**

Double Degree students from Iuav must arrive to the host University one month before courses start. Iuav students are recommended to arrive to U MAYOR no later than the 2<sup>nd</sup> Monday of February.

#### **F. Study Plan**

For each student, a detailed study plan must be approved by both didactic supervisors at IUAV and U MAYOR. This plan will not include redundant courses and will be registered in a Learning Agreement. Any modification to the approved plan of study will be registered in the student's change of learning agreement.

#### **As for no Architecture Double Degree Exchange:**

No Double Degree study plan is supposed to last one semester. Students are allowed to choose courses and lectures from any Iuav department (Architecture, Urban Planning, Visual Arts, Design, Fashion, Theatre). U MAYOR and IUAV are not responsible to find an Institution for the Internship. However, they will provide a list with possible professional studios interested in accepting internships.

#### **As for Architecture Double Degree Exchange:**

The Double Degree study plan must be completed in one academic year including traineeship. The host university reserves the right to suspend the enrolment at the Double Degree Programme to a student with deficient academic results. In the case that one student fails one or more courses, he/she should return and finish his/her courses at the home university. All courses and credits accumulated by the student at the host university will be recognized at the home university.
