

GLOBAL REGIONS FACING POST COVID RECOVERY

20 > 22.9.2022
Badoer
aula Tafuri
9 am

Scientific coordinators **Peter Karl Kresl, Ed Blakely, Mattia Bertin**

For two and one-half years the Covid pandemic has been powerfully affecting the world's economy and society. It has radically changed the way we conceive and use human-made spaces. It is time to reflect on the lessons learned from covid in the design of cities and territories.

With **Francesco Musco, Joan Trullén and Vittorio Galleto, Daniele Ietri, Diane Gabrielle Tremblay, Jaime Sobrino, Isela Orihuela, Luis Carvalho, Erwin van Tuijn and Leo van den Berg, Shaleen Singhal and Madhurima Waghmare, Gianfranco Franz, Javier Ruiz Sanchez, Barbara Klinkhammer, Carlo Federico Dall'Omo**
