Le Corbusier's Venice Hospital Project Workshop

Venice Biennale of Architecture

9.30 - 12.30, 13 September 2008

In anticipation of the exhibition “**Le Corbusier: The Art of Architecture**” the **RIBA Trust** and **Università Iuav di Venezia** has invited architect Christophe Egret, Professors Mauro Galantino, Carlo Palazzolo, Joseph Rykwert and Tim Benton to lead a student workshop in Venice on Le Corbusier's unrealised Hospital project for Venice, (1964).

Participants will have an opportunity to study original drawings and the model exploring the architect's later work. The archive, held by the Hospital “SS. Giovanni and Paolo” of Venice, is the venue for the event.

We hope to see you there.
