why luav university

Luav is standing as one of the leading universities in Europe and across the world in the fields of architecture, design, fashion, visual arts, urban and regional planning and theatre. It is deep-rooted in tradition but truly committed to innovation and gives students the opportunity to interact with high-profile teachers and world level professionals. Luav is an international university that offers courses and internships both in Italy and abroad and encourages student exchanges. It provides students with the knowledge, skills and expertise to ensure successful entry into the world’s job market. It is a widely recognised School of Excellence in an unparalleled city – Venice – famous for its beauty, culture and lifestyle.

tuition and scholarships

Luav is a public university. The max annual fee amount for all students is 2,800 euro. All students may apply to income based benefits as exemptions, reductions, scholarships and student collaborations. International candidates may also take part in our “Study@Luav” program that offers 6 scholarships and 30 tuition fee waivers. International students may also be eligible for an annual “Luav flat fee” between 500 and 1,000 euro, depending on the country of origin. Luav welcomes students with disabilities and ensures them an accessible learning environment. Luav also gives students the opportunity to access subsidized college loans.

housing

ESU Venezia, our partner agency, manages student residences and canteens and reserves rooms in their facilities for students regularly enrolling or attending an exchange programme in our university. Students should apply through their website prior to their arrival in Venice.

internships and job placement

Every year more than 92% of Luav students benefit from internship experiences in Italy and abroad. We currently offer our students a network of more than 8000 partner companies or studios that can be selected. Luav graduates experience an employment rate higher than the national average, more than 90% of our graduates are employed after 3 years from graduation (source Almalaurea, 2020). Luav Career Service Office is available or constant support and guidance for internships and post graduate work placement.

tutorship and language course

Our international students will be supported throughout their career by well-prepared tutors. International students will also be able to attend an Italian language course, free of charge.

international mobility

Luav is ranking first between all Italian polytechnic universities in the field of internationalization (source: Censis, 2020). We believe in the importance of international experiences and we collaborate with international cultural institutions and universities to convey a modern, updated education for a globalised world. Students can attend workshops and seminars taught by visiting scholars, professionals and specialists who are part of our international network made up by more than 200 European and 70 non-EU institutions and universities. Students are also given the possibility to study and to attend traineeship abroad within the support of the Erasmus+ grant programme. Luav also offers several double degree courses: by studying (2/3 semesters) in a Partner University, students have the chance to be awarded a double Master’s Degree (one from Luav and the other one from the Partner).

library

Luav University Library is one of the most important libraries in Europe in the fields of architecture, urban planning and the arts. It houses a wide and rare collection of volumes, databases and journals and a considerable range of international magazines and books and it is open from Monday to Friday until midnight.
