

CURRICULUM

scientific and didactic activities

Chiara Barattucci

Part I – General Information

Full Name	Chiara Barattucci
Citizenship	Italian
Mail:	barattuc@iuav.it

Part II – Education

Formative education took place in several universities in Italy and in France where the main qualifications were achieved: *Laurea* (Equiv. Master of Science) in Venice; two *post-lauream* masters in Paris; the doctorate in co-tutorship between the two countries; the four-year research contract in Catania.

Type	Year	Institution	Notes (Degree, Experience...)
University graduation	1995 Master of Science Degree (<i>Laurea</i>)	IUAV <i>Istituto Universitario di Architettura di Venezia</i>	IUAV University, five-years Master of Science Degree in Architecture (Study Plan and Thesis in Urbanism) - Thesis title: “Describing Territory: an integrated urban system in the North-Eastern Sicily” (Supervisor Prof. Bernardo Secchi) - Graduation grade: 110/110
Post-graduate studies	1997 Post-graduate Master's degree CEEA	EAPB Ecole d'Architecture de Paris-Belleville	One-year specialisation course <i>post-lauream</i> (Academic Year 1996-1997) CEEA – <i>Certificat d'Etudes Approfondies en Architecture</i> – « <i>Architecture Urbaine</i> » Certificate obtained after exams. Work products: reports, urban studies and urban design for Paris and Ile de France.

Pre-doctorate training	1998 Post-graduate master's degree DEA	IFU – Institut Français d’Urbanisme (University Paris VIII) and Ecoles d’Architecture	One year specialisation course <i>post-lauream</i> (Pre - doctorate training) Academic Year 1997-1998. DEA - <i>Diplôme d’Etudes Approfondies « Le Projet Architectural et Urbain: théories et dispositifs »</i> - Diploma obtained after exams, stage and <i>mémoire</i> (thesis). Title thesis: « <i>Changements des formes urbaines / Changements des discours et des démarches – Italie, 1980-1998</i> », (112pag.) Supervisor Professor: Philippe Panerai – Mention: Bien
PhD	2002 PhD – Joint Supervision Italie/France	University of Palermo and University Paris VIII	PhD Italie/France - with three-years scholarship 1998-2001 MIUR-FSE - in “Urban and Territorial Planning” (<i>Pianificazione Urbana e Territoriale – SSD Icar/21 - University of Palermo, Supervisor Prof. Paolo La Greca</i>) and in “Urban Planning” (<i>Urbanisme et Aménagement – Le projet architectural et urbain – University Paris VIII, Supervisor: Prof. Yannis Tsiomis</i>) (<i>Dottorato in co-tutela Italia/Francia</i>) Thesis title: “Beyond the dense city. Plurality of interpretations and intervention strategies on the forms of dispersed urbanizations with individual habitat in prevalence. France and Italy 1960-2000”. PhD obtained with honours and praise: Doctoral grade in France: <i>très honorable avec félicitation à l’unanimité</i> ; Doctoral grade in Italy: <i>ottimo</i>) PhD final Commission - Profs : Paolo Colarossi, Thierry Paquot, Giorgio Piccinato, Marcel Roncayolo + supervisors.
Post-PhD Degree	2003 – 2007 Four years research contract	University of Catania – Faculty of Architecture in Syracuse	Post – PhD Degree – Four-years Research contract (<i>Assegnista di ricerca quadriennale dal 3/2/2003 al 2/2/2007</i>) – University of Catania – Faculty of Architecture, based in Syracuse, Departments DARP / ASTRA – Research title: “Rules and regulations of the urban fabric of the late nineteenth century: project proposals towards renovations and innovations in Paris and the Paris region 1980-2005” (102 p.) - Supervisor Professor: Giuseppe Dato.

Part III - National Scientific Abilitations (University)

The Second Level National Scientific Abilitations were first obtained in France (2006, 2011, 2012) in three academic disciplines relevant to the field of *urban design* and of *urban and regional planning* and later in Italy (in 2015) in the *urban and territorial planning and design* academic field.

Accademic Fields and Academic Disciplines	Level of University Abilitations
<p>Italy</p> <p>08/F1 – Urban and Territorial planning and design (<i>Settore concorsuale 08/F1: Pianificazione e Progettazione Urbanistica e Territoriale</i>)</p> <p>Academic Disciplines (<i>Settori Scientifico-Disciplinari</i>):</p> <p><i>Icar/20 – Tecnica e Pianificazione Urbanistica</i> <i>Icar/21 - Urbanistica</i></p>	<p>Level II - Associate Professor (<i>Professore Associato</i>)</p> <p>National Scientific Abilitation (<i>ASN - Abilitazione Scientifica Nazionale</i>)</p> <p>Obtained in February 2015</p> <p>(Italy - MIUR – <i>Ministero dell’Istruzione, dell’Università e della Ricerca</i>)</p>
<p>France</p> <p>Groupe IV</p> <p>Academic Disciplines (<i>Sections CNU – Conseil National des Universités</i>):</p> <p><i>Section 24 – Spatial Planning, Urbanism</i> (<i>Aménagement de l’espace, Urbanisme</i>)</p> <p><i>Section 23 – Geography</i> (<i>Géographie physique, humaine, économique et régionale</i>)</p> <p><i>Section 18 – Architecture</i> (<i>Architettura</i>)</p>	<p>Level II – <i>MCF - Maître de Conférences</i></p> <p>National Scientific Abilitation (<i>Qualification aux fonctions de Maître de conférences</i>)</p> <p>Obtained in 2012 and in 2011</p> <p>(Section CNU 24 – abilitation already obtained in 2006 – confirmation after exams in 2012) (Section CNU 18 – abilitation already obtained in 2006 – confirmation after exams in 2011) (Section CNU 23 – abilitation obtained in 2011)</p> <p>(France - MENR – <i>Ministère de Education Nationale, de l’Enseignement Supérieur et de la Recherche</i>)</p>

Part IV – Appointments and assignments

The scientific and didactic activities were carried out in different Universities in Italy and in France according to a lot of appointments and assignments, at all levels of training and with many different responsibilities and scientific roles.

Start	End	Institution	Position
2007	2023	IUAV University of Venice, Departments Dacc, Dppac, CdP, (and before Faculties of Architecture and Urban Planning)	Adjunct Professor (<i>professore a contratto</i>) - Academic Field 08/F1 (SSD Icar/20 and Icar/21) - Teaching activities in Bachelor and Master Courses, Laboratories and Workshops. Supervisor and co-supervisor of master's theses (<i>relatore e correlatore di Tesi di Laurea Magistr</i>) President of various level examination Commissions Lecturer in university project studies PhD Thesis Consultant Research projects editor University research on the relationship zoning/mixité Responsible for organizing seminars, congresses, expositions
2014	2023	Polytechnic University of Milan Faculty of Architecture, Urban Planning, Construction Engineering (and before Architecture and Society) – Department DASTU	Adjunct Professor (<i>professore a contratto</i>)- Academic Field 08/F1 (SSD Icar/21 and Icar/20) - Teaching activities in Bachelor Integrated Courses and in Master Laboratories - President and Member of various level examination Commissions.
2014	2015	University Ferrara Architecture	Co-supervisor of Master of Science These
2006	2010	Université Paris 12 - IUP – Institut d'Urbanisme de Paris	Adjunct Professor (<i>professore a contratto</i>)- Teaching activities in Master Courses Member of examination Commissions Member of the Research University Laboratories “Vie Urbaine - Gerphau” (participation in research, seminar organizer and speaker) Member of the Research University Laboratory “Louest” (participation in research, seminar organizer and speaker) Member of the Research University Laboratory “Lavue” – (participation in research, seminar organizer and speaker) Responsible (with others) of digitization of the thesis (of the IUP historical archive)

2007	2009	Université Marne La Vallée – Master “Cité – Mobilité”	Adjunct Professor (<i>professore a contratto</i>) Member of examination Commissions
2003	2007	University of Catania, Faculty of Architecture in Syracuse	Adjunct Professor (<i>professore a contratto</i>) - SSD Icar/21 and Icar/20 Four-years post-PhD Research contract Icar/21 (<i>Assegno di ricerca quadriennale</i>) PhD Tutor for Doctoral Thesis and Teaching activities in PhD courses President and Member of various level examination Commissions Member of the Committees of Bachelor’s and Master’s Degree in Architetture and of Department ASTRA Member in Research Miur 40% Member in Research Pra 60% Member in Research Darp Responsible for organizing seminars and study trips
2004	2005	Ecole d’Architecture de Bretagne - Rennes	Adjunct Professor (<i>maître assistant associé à temps plein</i>) in Bachelor Courses Lecturer in urban design studios Member of various level examination Commissions
2003	2004	Ecole d’Architecture de Paris La-Villette	Researcher LET - Laboratoire Espace et Travail (for Research PUCA)
2002	2003	Ecole d’Architecture de Paris- Belleville	Adjunct Professor (<i>Conferencier</i>) – in Master post-Degree
1998	2002	University of Palerme / University Paris VIII	PhD Fellow 1998-2001 - Member of the Research Laboratories Member of the editorial editing committee of <i>InFolio</i> (PhD Scientific journal)
1999	2002	University of Messina – Faculty of Engineering	Subject expert (<i>Cultore della materia</i>) Member of examination Commissions Member in Research Murst 40%
1998	2001	University of Catania, Faculty of Architecture in Syracuse	Subject expert (<i>Cultore della materia</i>) Member of examination Commissions Member in Research Murst 40% Responsible for organizing seminars
1996	1998	University of Messina – Faculty of Engineering	Assistant - at the invitation of full Professor Giuseppe Dato – SSD Icar/20 and Icar/21
1995	1996	IUAV – University Institute of Architecture in Venice	Assistant - at the invitation of full Professor Bernardo Secchi – SSD Icar/21

Part V – Teaching experience

Work experience in didactic activities:

- *As adjunct professor*: twenty years of university teaching experience at all levels in Italy and France (since the academic year 2002-2003); *As subject expert and as assistant*: seven years of teaching experience in Italian universities (Since 1995-1996).

Year	Institution	Position - Lecture/Course
A.Y. 2022- 2023	IUAV University of Venice – Dcp – Bachelor’s Degree (First year of the three-year degree course in "Architecture" – Semester II	Adjunct Professor (professore a contratto) Mono-disciplinary Course: “Fundamental of Urbanism” – 6cfu — Academic Discipline: Icar/21 – Urbanism. Topic of the students’ projects: <i>The European and Italian Sustainable urbanism and the regenerations of different urban areas in the venetian territory</i>
A.Y. 2020-2023 (Three consecutive Academic Years)	Polytechnic University of Milan – Faculty of <i>Architecture, Urban Planning, Construction Engineering</i> – Master’s Degree ADU – “Architecture and Urban Design” - Fifth year (Last year) – Semester II	Adjunct Professor (<i>professore a contratto</i>) Course: “Urban Design” – 4cfu (Academic Discipline: Icar/21 – Urbanism) - in the integrated Laboratory “Thematic Studio” – with Profs F. Infussi (resp.) and S. Guidarini. Lab.Topics: <i>The regeneration of disused / underused production areas in the Varese territory (A.A: 2020-2022); The regeneration of three areas of South Milan urban fabric (A.A. 2022-2023)</i>
A.Y. 2020-2021	IUAV University of Venice – Dcp – Bachelor’s Degree (Third year of the three-year degree course "Architecture Construction Conservation") – Semester II	Adjunct Professor (professore a contratto) Mono-disciplinary Course: “Urbanism” – 12cfu — Academic Discipline: Icar/20 - Urban Planning. Topic of the students’ projects: <i>Regenerations of three different disused urban areas in the venetian territory (in Venice historic center; in the lagoon eaves - Mestre; in the diffuse urbanization of the Brenta river - Mira).</i>
A.Y. 2020-2021	Polytechnic University of Turin – Phd programme jointly activated by Politecnico di Torino and Università degli Studi di Torino	Doctoral Thesis Referee: member of the Commission for the final dissertation – PhD “Urban and Regional Development”, Thesis title: <i>Between homologation and reinvention: the production space in Geneva</i> (Supervisor: A. Sampieri)
A.Y. 2018-2020 (Two consecutive Academic Years)	Polytechnique University of Milan – Faculty of <i>Architecture, Urban Planning, Construction Engineering</i> –Master’s Degree ADU – Architecture and Urban Design - Fifth year (<i>Ultimo anno della Laurea Mag.Adu</i>) – Sem. II.	Adjunct Professor (<i>professore a contratto</i>). Course: “Urbanism” – 4cfu (Academic Discipline: Icar/21 – Urbanism) in the integrated “Final Laboratory” with Professors F. Infussi (resp.) and S. Guidarini — Topic of the Laboratory: <i>The regeneration of production zones for the redevelopment of the living spaces in contemporary territories (varesotto territory).</i>
A.Y. 2017-2019 (Two consecutive Academic Years)	IUAV University of Venice – Dacc – Departement of Architecture, Construction, Conservation – Master’s Degree Apna (<i>Ultimo anno del Corso di Laurea Magistrale Apna - Architettura per il nuovo e per l’antico</i>) Semester I	Adjunct Professor (<i>professore a contratto</i>) Mono-disciplinary Course: “Urbanism” – 6cfu (Academic Discipline: Icar/20 – Urban Planning) – Title of the course: <i>European sustainable urbanism for soil saving and urban regenerations (1987-2017)</i> – Topic of the students urban and territorial projects: <i>Regenerations of ancient abandoned rural villages in Calabre.</i>

A.Y. 2017-2018 - IUAV University of Venice

Dppac – Department of Urban Planning and Project in Complex Environments - Master's Degree

(*Ultimo anno della Laurea Magistrale "Architettura e Innovazione"*) Semestre I

Adjunct Professor (*professore a contratto*) - Course: "Urbanism" – 6cfu

Academic Discipline: Icar/21-Urbanism

in the integrated laboratory "Urban Design Studio 2" with profs M. Ferrari and F. Sciarretta - Topic of the projects: *Reuse and transformation of little brownfields in the diffuse urbanization along the east Terraglio.*

A.Y. 2017-2018 - IUAV University of Venice

-Supervisor of Master of Science Degree Thesis: *The territory of Carpi:*

strategies for the regeneration of the existing urban territory and the soil saving

-Co-supervisor of Master of Science Degree Thesis: *Redevelopment of a*

disused military area in Roquebrune – Cap Martin (Supervisor, prof. M. Ferrari)

A.Y. 2017-2018 - IUAV University of Venice

Dacc - Department of Architecture Construction Conservation

Organization and presentation of two master's lessons

27/11/2017: Prof. Franco Mancuso, "The recovery of minor historic centers in Italy: the Ancsa and the experience of the Gubbio Prize".

4/12/2018: Prof. Donatella Calabi, "Historic centers in the history of European urbanism"

A.Y. 2017-2018 - IUAV University of Venice

President of the Extraordinary Examination Commission

Academic Discipline Icar/21 – Urbanism

cdL Scienze dell'Architettura (DM 270/2004) – A03, for the courses:

Mono-disciplinary Course: *Urbanism* - cfu 8 (second year);

Mono-disciplinary Laboratory of *Urban Design* – cfu 6 (third year);

Mono-disciplinary Course: *Theories of urban planning* – cfu 6.

A.Y. 2016-2017 - IUAV University of Venice

Dacc – Department of Architecture, Construction, Conservation

Master of Science Degree Apna - *Architecture for the new and the ancient*

Adjunct Professor (*Professore a contratto*)

Mono-Disciplinary Course of "Urbanism" - ex cathedra lessons + design exercise;

Academic Discipline: Icar/20 – Urban Planning

Title of the Course: *European sustainable urbanism for soil saving and urban and territorial regenerations (1987-2017)* – 6cfu - Second and last year of the Master - First semester.

Topic of the students urban and territorial projects: *Sustainable restructuring - the urban and agricultural landscape along the river Tagliamento.*

A.Y. 2015-2018 - Polytechnique University of Milan

(Three consecutive Academic Years)

Faculty of Architecture, Urban Planning, Construction Engineering

Bachelor's Degree - Second year (*Triennale "Progettazione dell'Architettura"*) - Annual course.

Adjunct Professor (*professore a contratto*)

Course: "Urbanism" – 4cfu - **Academic Discipline: Icar/21-Urbanism**

in the integrated "Architectural Design Studio" with Professors A. Nebuloni and F. Neonato

Topics of the Studio during the two years of the course:

The renovation of the Hospital area in Merate; The regeneration of the ex-Hospital area in Vimercate.

Sustainable restructuring of the disused railway station in Lambrate (Milan).

A.Y. 2016-2017 - IUAV University of Venice

- **Co-supervisor of Master of Science Degree Thesis:** *The territory of Venice: proposals for the enhancement of the nord-lagoon* (Supervisor, prof. Mario Piana)

- **Co-supervisor of Master of Science Degree Thesis:** *Florence: the redevelopment of Campo di Marte Station* (Supervisor, Prof. Mauro Galantino)

A.Y. 2015-2016 - Polytechnique University of Milan

School of Architecture and Society - Dastu – Department of architecture and urban studies

Master of Science Degree (*Laurea Magistrale*) – first semester

Adjunct Professor (*Professore a contratto*) –

Course: *Urban Design and Urban transformations* – 6 cfu

Academic Discipline: Icar/21 – Urbanism

In integrated Laboratory of *Urban Design* with Professors R. Rosso and A. Pizzati

Topic of the students urban and territorial design: *Sustainable restructuring and regenerating: the brownfield-area ex SNIA- Varedo, along the river Seveso*

A.Y. 2014-2015 – University of Ferrara

Faculty of Architecture

Co-supervisor of Master of Science Thesis: *Sao Paulo, Brasil: Restructure of Parque dom Pedro*

(Supervisor, Prof. Gastone Ave)

A.Y. 2014-2015 - IUAV University of Venice

Dppac – Department of Urban Planning and Urban Design in Complex Environments

Master of Science Degree – First year - Second semester

Adjunct Professor (*Professore a contratto*)

Mono-disciplinary Course: *Sustainable Urban Development* – 6cfu

Academic Discipline: Icar/21 – Urbanism

Topic of the students urban and territorial project: *Sustainable urban regeneration of a rundown neighbourhood in Marghera-Sud.*

A.Y. 2014-2015 - IUAV University of Venice

Dppac – Department of Urban Planning and Urban Design in Complex Environments

Organization and introduction of three conferences

(as adjunct professor):

Prof. Leonardo Ciacci: *Video as a project tool.*

Prof. Franco Mancuso: *The square in the European city.*

Prof. Renzo Rosso: *Urbanization and flood risk.*

A.Y. 2014-2015 - Polytechnique University of Milan

School of Architecture and Society - Dastu

Master of Science Degree (*laurea Magistrale*) – first year, first semester.

Adjunct Professor (*Professore a contratto*)

Two Courses:

Open Spaces Projects- 4 cfu (Academic Discipline: **Icar/20** – Technique and Urban Planning)

Urban design and urban transformations – 6 cfu (Academic Discipline: **Icar/21** – Urbanism)

in integrated Laboratory of *Urban Design* with Professor Renzo Rosso

Topic of the students urban design: *Sustainable restructuring and regenerating:*

the brownfield-area of Rubattino along the river Lambro.

A.Y. 2013-2014 - IUAV University of Venice

Adjunct Professor – Participation in the Workshop of the Ecole Nationale Supérieure de Paris - La Villette about students urban design for Forte Marghera – Directors, Professors: Didier Rebois and Chris Younès

Academic Discipline: ICAR / 21 – Urbanism

A.Y. 2010-2013 - IUAV University of Venice

(three consecutive Academic Years)

Faculty of Architecture - Clasa-Bachelor's Degree

Adjunct Professor (*Professore a contratto*)

Mono-disciplinary Laboratory of *Urban Design*

(first semester, 3rd year, 105 h)

Academic Discipline: Icar/21 - Urbanism

Topic of the Urban Project in Laboratory:

Sustainable regenerations of the diffuse urbanization along the River Brenta, between Venice and Padua

A.Y. 2009-2010 - IUP - Institut d'Urbanisme de Paris - University Paris XII

Master's Degree: *Urbanisme et territoires* - Mention *Urbanisme*

Adjunct Professor (*Maître de conférences vacataire*) – Second semester

Academic Discipline (Section CNU) : 24 – Aménagement de l'espace – Urbanisme

Conferences in the Course: *Villes et Communication* (Respons: Professor Thierry Paquot)

A.Y. 2007-2010 - IUAV University of Venice

(three consecutive Academic Years)

Faculty of Architecture - Clasa-Bachelor's Degree

Adjunct Professor (*Professore a contratto*)

Mono-disciplinary Laboratory of *Urban Design*

(first semester, 3rd year, 105 h)

Academic Discipline: Icar/21 - Urbanism

Topic of the Urban Project in Laboratory:

Towards a sustainable regeneration of diffuse urbanization in central Venetian area.

A.Y. 2007-2009 - Université de Marne La Vallée

(two consecutive Academic Years)

Master «Cité - Mobilité»

Adjunct Professor (*Maître de conférences vacataire* 18h – First semester)

Academic Discipline (Section CNU): 24 – Aménagement de l'espace – Urbanisme

Lessons (*ex-cathedra* and *in situ*) in mono-disciplinary Course “Histoire and Theory of Urbanism” about French urbanism (*grands ensembles, villes nouvelles, périurbanisation*)

A.Y. 2008-2009 - IUAV University of Venice

Faculty of *Urban and Territorial Planning*

Clasput Bachelor's Degree

Adjunct Professor (*Professore a contratto*, 70h)

Course: “Laboratory of Urban Planning” (second semester)

Academic Discipline: Icar/20 – Technique and Urban Planning

(with professor Liliana Padovani)

Topic of the Laboratory: *Cities and citizens. The construction of urban projects for Marghera.*

A.Y. 2008 - 2009 – IUAV University of Venice

Organization and preparation of the exhibition of the students' projects

(Laboratory of Urban Planning, with Professor L. Padovani)

A.Y. 2008 – 2009 - IUP – Institut d'Urbanisme de Paris - University Paris XII

Member of the Final Commission of the *Projet urbain* Studio (Respons. Professor Liliane Pierre)

Urban Projects about Paris and Ile de France

A.Y. 2007-2009 – IUAV University of Venice

(two consecutive Academic Years)

Organization and preparation of the exhibition of the students' projects

(Laboratory of Urban Design - Faculty of Architecture)

A.Y. 2006-2009 - IUP - Institut d'Urbanisme de Paris - University Paris XII

(three consecutive Academic Years)

Master's Degree « Urbanisme et territoires » Mention « Urbanisme » (first and second semester)

Adjunct Professor (*Maître de conférences vacataire*)

Academic Discipline (Section CNU): 24 – Aménagement de l'espace – Urbanisme

In the Courses:

- "City, Urban Planning and Communication" (with Full Professor Th. Paquot)
- "Making and thinking the town in contemporary times" (with Associated Prof. L. Coudroy de Lille)
- "Urban History and Theories " (with Associated Professor L. Coudroy de Lille)
- "Atelier of territorial communication" (with Full Professor Th. Paquot and B. Ecrement)

A.Y. 2003-2006 - University of Catania

(three consecutive Academic Years)

Faculty of Architecture in Syracuse (Bachelor's Degree – 3d year)

Adjunct Professor (*professore a contratto*)

-Mono-disciplinary Course: "Theories of Urban Design and Territorial planning"

Academic Discipline: Icar / 20 – Technique and urban planning

-Teaching activities in two Laboratories of Urbanism – Academic Disciplines: Icar/20 and Icar/21 (with Professor Giuseppe Dato)

- Tutor of PhD "Analysis, planning and integrated management of the territory" - University of Catania (revisions of doctoral thesis with Professor Giuseppe Dato)

- Member of several examination Commissions for the Academic disciplines Icar/20 and Icar/21

- Member of Commissions - Bachelor's and Master's degree in Architecture

- Member of Department ASTRA

A.Y. 2003 - 2006 – University of Catania

Faculty of Architecture in Syracuse

Organization (and participation) of study trips to Bilbao and Barcelona

for students of the Laboratory of Urban Design, 3rd year.

A.Y. 2003-2007 – University of Catania

Faculty of Architecture in Syracuse

(four consecutive Academic Years)

Tutor of the PhD «Analysis, planning and integrated management of the territory»

(SSD: Icar/20 and Icar/21): Speeches, conferences, revisions of doctoral thesis (with prof. Giuseppe Dato) and participation in the organization of the PhD seminars.

A.Y. 2004-2005 - Ecole d'Architecture de Bretagne – Rennes

Adjunct Professor (*Maître-assistant associé, full-time*)

Academic Disciplines: «Histoire et cultures architecturales» and «Urbanisme et Projet Urbain»

a) Mono-disciplinary Courses:

1. *Architecture and Urbanism of antiquity* (1st year, 30h)
2. *Architecture and Urbanism in the Middle Ages* (1st year, 30h)
3. *Architecture and Urbanism in the twentieth century* (3rd year - 30h)

b) Teaching activities (with Philippe Revault) in *Ateliers de Projet urbain* (5th year)

c) Teaching participation in urban design workshop

d) Member of the Committees of examinations (1st and 3rd year and Master Degree Thesis)

A.Y. 2002-2003 - EAPB - Ecole d'Architecture de Paris-Belleville

Master *post-lauream* - DPEA - «Architecture des territoires et projets urbains»

Adjunct Professor (*Conférencier*) -

Course: “Urban design and metropolitan suburbs” (with Professor N. Eleb Harlé)

Discipline: «Urbanism and Urban Project»

A.Y. 1999- 2002 - University of Messina

(three consecutive Academic Years) – Faculty of Engineer

Subject expert (*Cultore della materia*)

Academic Discipline: Icar/20 – Technique and Urban Planning

Teaching Activities in the Laboratory of Urban Planning (with Professors Giuseppe Dato and Paolo La Greca); Lessons in course “Technique and Urban Planning” (4th year, Professor P. La Greca);

Member of various Exams Commissions for the Academic Discipline Icar/20

A.Y. 1999-2000 – Ecole d'Architecture de Paris-Belleville and Universities of Catania and Palermo

Organization and introduction of seminars and conferences

- at the Ecole d'Architecture de Paris-Belleville (invited professor: Bernardo Secchi)

- at the Universities of Catania and Palermo (invited professor: Yannis Tsiomis)

A.Y. 1998-2001 - University of Catania

(three consecutive Academic Years)

Faculty of Architecture in Syracuse

Subject expert (*Cultore della materia*) - Area VIII - "Planning and Urban Design”

Teaching activities in courses ex cathedra and in Laboratory of Urbanism, review thesis (with Professor Giuseppe Dato) and Member of Exams Commissions - Academic Disciplines Icar/20 and Icar/21

A.Y. 1996 – 1998 - University of Messina

(two consecutive Academic Years)

– Faculty of Engineering

Assistant (at the invitation of Professor Giuseppe Dato)

Academic Discipline: Icar/20 – Technique and Urban Planning

Teaching activities (with Professor G. Dato and F.C. Nigrelli)

Courses ex cathedra and Laboratory of Urbanism (4th year)

A.Y. 1995-1996 - IUAV – University Institute of Architecture in Venice

Assistant (at the invitation of Professor Bernardo Secchi)

Academic Discipline: Icar/21 – Urbanism

Teaching activities in Laboratories and Studios of Urbanism (4th year)

Part VI – Research Laboratory membership, Awards, Qualifications and recognitions - Scholarships

Year	Title
2003 - 2023	Participation in public competitions for Researcher lett. B and for Associate professor in various Italian universities with very good and excellent final judgments (and in the ranking especially in the first three classified)
2019	Qualification (<i>Idoneità</i>) after Public competitions for a <i>Ricercatore B</i> Post – Trento University – 08/F1
2002 – 2004	Qualifications (<i>Idoneità</i>) after Public competitions for <i>Maître assistant</i> Posts – French Faculties of Architecture (equivalent as <i>ricercatore</i>)
2006 – 2009	Qualifications (<i>Idoneità</i>) after Public competitions - for <i>Maître de conférences</i> Posts – French Universities (equivalent as <i>professore associato</i>)
2005 - 2021	Keynote speaker invited for seminars, congress, lessons in various Universities (not only in Europe)
2010 – 2020	Affiliated Researcher - Laboratory LAVUE UMR CNRS 7218 – Paris
2007 - 2010	Affiliated Researcher - Laboratory LOUEST UMR CNRS 7145 - Paris, Unit-Research Vie Urbaine (IUP - Institut d'Urbanisme de Paris - University Paris XII)
2009 - 2010	Affiliated Researcher – Laboratory “Vie Urbaine” - IUP - Institut d'Urbanisme de Paris – University of Paris XII
2014- 2017	Very positive book review has been published in Italy, England and France in scientific journals (about the monograph published in 2013)
2015	Italian National Scientific Abilitation – Level II – Prof. associato – Settore conc. 08/F1
2012 2006	French National Scientific Abilitation Level II – Maitre de Conférence – Secteur 24
2011	French National Scientific Abilitation - Level II – Maitre de Conférence – Secteur 23
2011 2006	French National Scientific Abilitation - Level II – Maitre de Conférence – Secteur 18
2005- 2007	Very positive book reviews have been published in Italy, England, Spain and France in scientific journals (monograph published in 2004 in Italy and in 2006 in France)
2003	Winner of 4 years scholarship (University of Catania - <i>assegno di ricerca</i> Icar/21)
1998	Winner of 3 years PhD scholarship (University of Palermo and FSE)
1996	Winner of 2-year post-lauream scholarship (Iuav - Venice - Law n. 398 - 30/11/1989)

Part VII – Research and Project Activities

Work experience in this regard in Italy and France: over twenty-five years of different scientific and professional activities, scientific advice to various institutions, responsibilities as research advisor, tutor and supervisor on different university levels, four-year research fellow in Italian university, researcher affiliated to several French university research Laboratories, participation, also as an invited speaker, at many congresses and seminars, etc. Idoneities for University Posts.

2007 -2023 - Research/teaching Iuav University of Venice and Politecnico di Milano

(Bachelors and Masters degree, Degree Thesis, PhD): urban and territorial research activities in the university field 08/F1 on urban and territorial regeneration according to different themes and in different Italian contexts, especially in northern Italy (Veneto, Friuli Venezia Giulia, Lombardy, Emilia Romagna)

January 2020 – April 2021 - Scientific responsible at Augsburg University

For the definition and inter-University coordination of the "Urban Regeneration" Module of the Iuav University of Venice: a module that was to be included in the Erasmus Mundus Joint Master Degree "Urban Culture" of the University of Augsburg – leader. (Other University Partenaires: University of Coimbra; University of Santiago de Compostela; University of Buenos Aires - Argentina; University of Sao Paulo - Brazil)

2020 – Scientific Advisor of the Fond Nationale Suisse de la Recherche Scientifique

referee for the evaluation of research projects to be funded

2010 – 2020 – Affiliated Researcher - Laboratory LAVUE UMR CNRS 7218 – Paris,

Programme 3: *Articulations of spatial and temporal scales in the sustainable development context.* Participation in development of the research project and publication with the team of the Laboratory.

2019 – Qualification (*idoneità*) as Researcher B – University of Trento

(after competition on titles, qualifications, interview and seminar)

Sector: 08/F1 – Urban and territorial planning and planning

2018 – Scientific Advisor IUAV University IUAV of Venice

of the research group for the conception of “Iter – Don't just walk the landscape, experience it”, Project selected by Scientific commission StartLAB – Iuav spinoff and participation at the workshop.

2015-2018 – Scientific Advisor for architectural renovations in Venice historic center.

2010 - 2016 - Preparatory research work in France to achieve HDR - *Habilitation à diriger les recherches* (University Abilitation to direct doctoral thesis). Topic: the methods of comparative research in territorial and urban planning, particularly in the context of Western Europe and between France and Italy

2015 – **Revisor** anonymus for scientific journal (class A – 08/F1)

2015 – Town planner and Scientific advisor of the study ARPLAN - during the feasibility studies and the first plan proposal for a new town in Ivory Coast.

2010-2013 – Recherche at IUAV University of Venice (with scientific advices of Professors: Donatella Calabi and Franco Mancuso). The central topic of this comparative research France/Italy is the relationship between zoning and mixité from 1870 to 1945. Research publication (book): *Zoning / Mixité. Alle radici dell'urbanistica italiana e francese. 1870-1945*, Officina Edizioni, Roma, 2013.

2007-2014 – PhD Participation – Iuav University of Venice

to some seminars of the doctorates in Urban Planning and Planning of the IUAV University of Venice

2011 – Scientific Advisor of the MEDD - Ministry of Ecology and Sustainable Development (France)

Member of the Selection Board of the MEDD for the selection of research projects to be financed for the PUCA programme - Plan Urbanisme Construction - Architecture, entitled *Du périurbain à l'urbain*

2007 - 2010 - Affiliated Researcher - Laboratory LOUEST UMR CNRS 7145 – Paris

Unit-Research *Vie Urbaine* (IUP - Institut d'Urbanisme de Paris - University Paris XII)

2008 – Urban Planner - participation in the first stage of the competition for the new waterfront of the small port of Syracuse (with the studio Glass - Venice)

2006 - 2009 – Qualifications (*Idoneità*) for University Posts of *Maître de conférence*

In French universities - MESR – Ministère de l'Enseignement Supérieur et de la Recherche

Ranked suitable several times after participation in public competitions held by various French Faculties (among the top 3-4 winners)

SSD: 24 – *Aménagement de l'espace, Urbanisme*

2003 - 2007 – Four-year post-PhD Research Contract (*Assegnista di ricerca quadriennale*)

University of Catania - Faculty of Architecture - based in Syracuse – Academic Discipline: Icar/ 21 Department DARP and ASTRA. Supervisor Professor: Giuseppe Dato (contract from 03.02.2003 to 02.02.2007) - Title of research report (February 2007): “Rules and regulations of the late nineteenth century urban fabric: project proposals for renovation and innovation in Paris and in the Paris region 1980-2005”.

2003-2007 - Tutor of the PhD "Analysis, planning and integrated territory management", University of Catania, Faculty of Architecture: doctoral thesis revisions (with Professor Giuseppe Dato); speeches, lectures, and participation in the organization of PhD seminars.

2004-2006 - Research MIUR 40% - Research title: Cuba: Urban expansion / rehabilitation / heritage. (Scientific coordination: Polytechnic of Torino; Unit-Research: DARP - University of Catania - Faculty of Architecture) – MIUR - Ministry of Education, University and Research.

Member of the research group: Participation in the project and in the research.

2004 - 2005 – Research PRA 60% (*PRA – Progetti di Ateneo*) - University of Catania - Faculty of Architecture - Research title: *The urbanism of the malls*

Member of the research group: Involvement in the research project.

2003 – Affiliated researcher - Research Unit of LET - Laboratoire Espace et Travail de l'Ecole d'Architecture de Paris La Villette

for the elaboration of the research project entitled: *L'image spatiale dans les processus négociés du projet urbain*. Research funded by the Ministero de l'Equipement, des Transports et du Logement - PUCA - Plan Urbanisme Construction Architecture.

Member of the research group: Elaboration of the research project with other LET researchers; bibliographic research, choice of case studies and drafting of texts.

2003 – Urbanist and architect – Restructuration of architectures and landscape of a rural complex dating back to the beginning of the nineteenth century, located in the Milazzo urbanized countryside (Sicily)

2002 - 2004 – Qualifications (*Idoneità*) for Posts of *Maître assistant*

French Faculties of Architecture - Ministère de la Culture et de la Communication

Classification of idoneity after participating in public competitions for posts as *Maître assistant* in Faculties of Architecture (among the top 3-4 winners)

Discipline: *Urbanisme et Projet Urbain*

2002 – 2003 – Researcher DARP - Department of Analysis, Representation and Project of the Faculty of Architecture - University of Catania. Research title : *Small city urban sprawl*.

Participation in the development of the research project.

2000 - 2002 – Research MURST 40% (MURST - Ministry of University and of Scientific and Technological Research) – University of Catania – Faculty of Architecture located in Syracuse. Research title: *Archaeological Sites and Urban Planning* – Icar/20 Director Professor : Giuseppe Dato -)

Chiara Barattucci Publications related to research: Essay "Megara Hyblaea between archaeological and industrial area. A micro-history for a territorial project - 1948-2005", in "From Beirut to Noto. Archaeological heritage and urban planning. Studies and research in the Mediterranean countries (dir. G. Dato), Bibl. Cenide of Ed., Villa San Giovanni, 2005, p.178-217; Article: "The innovation of the planning action between research and practice through the relationship between urban project and archeology," In Folio, n. 9, 2000.

1998-2002 - PhD Research (joint supervision Italy/France – *cotutela*)

University Paris 8 (PhD in *Urbanisme et Aménagement - Le projet architectural et urbain*)

University of Palermo (PhD in *Pianificazione urbana e territoriale*)

(Research Fellowship MURST/ FSE - UE 1998-2001)

Research title: *Beyond the dense city. Plurality of interpretations and intervention strategies on dispersed urbanizations with prevalence of individual houses. France and Italy 1960-2000.*

Tutors: P. La Greca (Professor University of Catania) and Y. Tsiomis (Professor Ecole d'Architecture de Paris La Villette). Comparative research on diffuse urbanizations, structured on the relationship between lexical interpretative images and urban planning actions.

1998 – 2001 – Member of the Editorial Board of the PhD Journal *In Folio* – Doctorate “Pianificazione urbana e territoriale” - University of Palermo

2000 – Urbanist – Participation in the Urban Project International competition "Ponte Parodi" (Genoa) - (in the Team of the Studios Ayta - Yannis Tsiomis Atelier and Studio De Cola Associati)

1997 – 2000 – Planner - Collaboration with Professor Giuseppe Dato in analyzing and setting the guidelines for some urban plans in Sicily.

1999 - Researcher MURST 40% - (MURST - Ministry of University and of Scientific and Technological Research) – Research title : *Urban upgrading and informal settlements in Egypt in the new scenario of global economy: the case of Alexandria* (Scientific coordination of DPTU - Department of Urban and Regional Planning, University of Rome – La Sapienza, Unit Research: DAU - Department of Architecture and Urban Planning, University of Catania) – Director Professor Giuseppe Dato

Member of the research group: In charge of archival research for historical maps, bibliographic research. Many of the maps found at the Historical Archive of the National Library in Paris and the Institute of the Arab World in Paris have been published in the book of Professor G. Dato about Alexandria.

1998 – Urbanist - Collaboration in the restoration project of a rural complex (1830 - main house, garden, warehouse, etc.) located in the Milazzo urbanized countryside of Milazzo (Sicily).

1998 - Winner of the PhD public competition and of the three-year PhD scholarship (MURST – FSE) in Urban and Territorial Planning (*Pianificazione Urbana e Territoriale*) - University of Palermo

1998 - Admission to the French Doctorate (after obtaining DEA with vote “bien” and after a qualification-based project) – PhD “Urbanisme et Aménagement - Le projet architectural et urbain” - University Paris VIII.

1998 - Post-Lauream Degree - DEA (*Diplôme d'Etudes Approfondies*) – « Le Projet Architectural et Urbain : théories et dispositifs » - Ecoles d'Architecture et IFU - Institut Français d'Urbanisme, Université Paris 8 - Specialization annual course - diploma awarded after exams, stage and recherche (mémoire) - A.A. 1997-1998 – Mémoire title : « Changements des formes urbaines / Changements des discours et des démarches - Italie, 1980-1998 » (Supervisor, Professor Philippe Panerai) – Vote : *bien*

1997-1998 – Research DEA – Diplôme d'Etudes Approfondies - IFU- Institut Français d'Urbanisme Université Paris 8 and Ecoles d'Architecture - *DEA - Le projet architectural et urbain : théories et dispositifs*
Title thesis (mémoire): *Changement des formes urbaines / changement des discours et des démarches. Italie 1980-1998* (Supervisor Professor Philippe Panerai).

Basic research for the doctorate: it's about the relationship between the urbanization transformations and the relative change of the speeches, actions and vocabulary of urbanism.

1997 – 1998 - Stage Research in Laboratory ACS XIXe-XXe siècle - Ecole de Paris-Villemin. Research title: *Formes urbaines. Une bibliographie raisonnée.*

Bibliographic research and writing of book review (Director: Professor Philippe Panerai).

1997 – Research MURST 40% (MURST - Ministry of University and of Scientific and Technological Research) – Research title: *The capital cities of the Mediterranean less developed countries: urban and territorial planning strategies between global and local* (Scientific coordination of DPTU - Department of Urban and Regional Planning, University of Roma-La Sapienza; Unit Research of the DRP - Department of Representation and Project of the University of Messina).

Publications related to research: «Forme insediative contemporanea lungo le nuove coste del Mediterraneo», *In Folio*, n.8, 1999; «Une lecture à différentes échelles d'un territoire de colline des monts Péloritains. Transformations territoriales récentes et patrimoine», Actes du IId International Congress on *Science and technology for the safeguard of cultural heritage in the mediterranean basin*, Ed. Elsevier, Paris, 2000.

1996 - 1997 – Research MURST 40% (MURST - Ministry of University and of Scientific and Technological Research) – Research title: New forms of settlement in the territory of Messina (Research Unit of the University of Messina DRP).

Publications related to research: «La trasformazione della costa ionica tra Messina e Siracusa», *Urbanistica Informazioni* n.165, 1999; «Territorio dismesso e pianificazione meridiana» (con G. Dato et F.C. Nigrelli), Atti della XVIII Conferenza Italiana di Scienze Regionali (AISRE), *Europa e Mediterraneo*, Ministero dei Lavori Pubblici e CNR

1997 - Post-Lauream Degree - CEEA (*Certificat d'Etudes Approfondies en Architecture*) « Architecture Urbaine », EAPB - Ecole d'Architecture de Paris-Belleville – one-year specialization course - diploma awarded after exams - A.A. 1996-1997 (Responsible of Training, Professor Pierre Pinon)

1996 - Winner of post-lauream scholarship (on public competition with exams) for specialization courses abroad (law n. 398 - 30/11/1989)

IUAV - University Institute of Architecture in Venice

1995 - Research for Laurea Thesis - IUAV - University Institute of Architecture in Venice

Thesis title: “Describing territory: a Sicily North-Eastern integrated urban system” (Director, Professor Bernardo Secchi).

Publication related: *An integrated urban system of the North-Eastern Sicily*, in DRP - Rassegna Studies and Research, Dept. of Representation and Project, University of Messina, vol. 1, 1996, p. 127-144.

Part VIII - National and International Congress and Conferences

2022 – XXIV SIU Congress – Italian Society of Urban Planners

Brescia, June 2022 – Abstract accepted and Paper in press in the Proceedings (20,000 characters) entitled: *An urban project for Venice historic center based on the value of the socio-economic diversity of the urban fabric.*

2020 – 2021 – XXIII SIU Congress – Italian Society of Urban Planners

Turin, June 2021 - Speaker on the paper entitled: *Project proposals for the regeneration of abandoned Calabrian villages.* Published in the Proceedings.

2019 – Keynote speaker invited – University of Augsburg

Congress “Urban Imaginaries and Resilient Cities II - Urban Cultures Project Meeting” - University of Augsburg, 05–06.12.19. Intervention title: *The Sustainable Regeneration of Venice in the Relationship with its Lagoon and the Mainland.*

2019 - Invited speaker in the Urbanism course (resp. Prof. F. Infussi) for the lecture entitled "Zoning in the European framework and in Italian urban planning" - Polytechnic University of Milan – Dastu - Faculty of Architecture, Urban Planning, Construction Engineering

2018 - Keynote speaker invited – Ecole d'Architecture de Paris-Belleville

DCUN Seminar series – “New urban epistemologies & Diffuse Urbanization” –.

Communication and paper in French – Title: *Les expressions néologiques les plus utilisées par les urbanistes italiens pour nommer la diffusion et la dispersion de l'urbanisation.*

2018 - XXI SIU Congress – Italian Society of Urban Planners

Firenze, juin 2018. Paper and communication: “The sustainable regeneration of historic centers as an Italian response to the multiplication of European eco-districts” - published in the Proceedings.

2018 - Invited lecturer - intervention and work reviews at the Intermediate Seminar of the 3B Design Laboratory (Resp. Prof. A. Dal Fabbro) entitled "Reality, protection, future of villages, architecture between conservation and transformation" – IUAV University of Venice – Dacc

2017 – XX Congress SIU – Italian Planners Society

Rome, juin 2017 - Title Paper and communication: *For the restructuring of the Friulian rural territory along the Tagliamento*. - published in the Proceedings.

2016 – Keynote speaker invited – Congress (University of Hong Kong – Faculty of Architecture) “Territories of Metropolis: Compactness, Dispersion and Ecology. Comparative Perspectives Between Asia and Europe” – HKU’s Shangai Study Center, Shangai 5-7 April 2016

2016 - XIX Congress SIU – Italian Planners Society

Catania, juin 2016 - PAPER: *The former Snia area in Varedo and the Seveso: laboratory experiments for territorial restructuring* (with Renzo Rosso) - published in the Proceedings

2015 - Invited speaker at the XXIX cycle Doctorate in Architecture (*Urban Planning and Evaluation*) - Department of Architecture, University of Naples "Federico II", July 2015

2015 – XVIII SIU Congress – Italian Society of Urban Planners

Venice, June 2015, - Paper and communication: *Among economic and cultural heritage: for 'sustainable' restructuring of the Brenta territory, between Venice and Padua* - published in the Proceedings

2014 - Congress INU - Italian Institute of Urban Planning

Naples, decembre 2014. Paper and communication title: *European Sustainable Urbanism and renovation of the existing urbanization* - published in the Proceedings.

2014 - XVII Congress – Italian Society of Urban Planners

Milan, May 2014 - Paper and communication title: *Reflections on a fifteen years comparative research experience in urban planning, in the Western Europe context, France and Italy* - published in the Proceedings.

2012 – Invited lecturer - University of Messina - Conference about my comparative research in progress (Zoning / Mixité - France / Italy - XX century) – Faculty Science Politique

2009 – Invited lecturer - IUP - Institut d’Urbanisme de Paris - Conference about my research at the Annual seminar of Laboratory «Vie urbaine» - University Paris XII

2008 - Invited lecturer - University of Lausanne - Master “Sustainable Urbanism” — Faculty of Geoscience and Environnement. Conference title “The sustainable restructurations of dispersed urbanizations” (Master ‘Urbanisme Durable’ – Director, Professor Antonio Da Cunha)

2007 – Invited lecturer - University of Paris XII - Conference as invited lecturer at the Methodical Seminar of Contemporary History - Department of History - Master letters, languages, humanities - Mention history and knowledge of civilizations. Conference title "Culture and urban policy - twentieth century" (Professor resp. of the Master: Catherine Brice)

2007 – Invited lecturer - Laboratories Vie urbaine and Gerphau - University Paris XII - IUP - Institut d'Urbanisme de Paris - Conference about Giuseppe Samonà's book (1959) "L'urbanistica e l'avvenire delle città negli Stati europei"

2007 – Invited speaker – Congress PUCA at the International Congress «Densifier les périphéries », June, 12-13 Rennes, Puca, Ministère des Equipements – Communication title: «Restructurer le territoire habité: le cas de Rennes»

2007 – Invited lecturer - University Paris X – Conference title: "Urban planning for historical landscapes in Italy" in the Seminar of PhD students of the Institute of Geography - (Professor resp. Colette Vallat)

2006 – Invited lecturer IUP - Conference as invited lecturer for the presentation of the French edition of my book "Urbanisations dispersées. Interprétations / Actions. France et Italie, 1950-2000" (Presses Universitaires de Rennes, 2006) at the IUP - Institut d'Urbanisme de Paris (Université Paris XII)

2005 – Invited lecturer - Ecole d'Architecture de Bretagne - Conference for the presentation of the Italian edition of my book "Dispersed Urbanizations. Interpretations and Actions in France and Italy, 1950-2000" (Officina, Rome, 2004).

2005 – Invited lecturer - Faculty of Architecture of the University of Catania - Conferences as invited lecturer for the presentation of the Italian edition of my book "Dispersed Urbanizations. Interpretations and Actions in France and Italy, 1950-2000" (Officina, Rome, 2004)

2003 - Invited public speaker - Laboratory Vie urbaine - Congress "Les mots de la ville et les langages spécialisés de l'urbain" (organized by L. Coudroy de Lille and O. Ratouis) at IUP - Institut d'Urbanisme de Paris - Université Paris XII -. Communication Title: "The urban language of Italian urbanists between *campagna urbanizzata* and *città diffusa*". Contribution approfondie dans l'article "*Campagna urbanizzata, urbanizzazione diffusa e città diffusa: les inventions lexicales des urbanistes italiens après 1960*"

2000 – 2002 – Invited lecturer – in Italian and French PhD courses - Conferences on my PhD research – for the students of post-graduate DEA - Diplôme d'Etudes Approfondies – "The architectural et urban project " - (IFU - Institut Français d'Urbanisme - University of Paris VIII and Schools of Architecture) and for the Phd students of the University of Palermo - Faculty of Architecture

1999 - Speaker at the II International Congress CNRS – Paris - on *Science et technologie pour la sauvegarde du patrimoine culturel dans les pays du bassin méditerranéen* - Paper and communication title: "Une lecture à différentes échelles d'un territoire de colline des monts Péloritains. Transformations territoriales récentes et patrimoine" (published in the Conference Proceedings)

1998 - Speaker at the XVIII Italian Congress of Regional Sciences – Congress "Europe and the Mediterranean" – Paper title (with G. Dato and F.C. Nigrelli): "Abandoned Territory and Southern Urban Planning" (Publication in the Proceedings of the Congress).

Part IX – Selected Publications

The list of 68 publications includes

- two solo-monographs, both of over 220 pages (one of which was also published in France) that have had excellent reviews in class A scientific journals in Italy, France, England.
- solo-papers published in Italian, French and English scientific journals, including class A.

1. 2022 – Paper in class A scientific journal – Anvur

Chiara Barattucci, “Il progetto urbanistico per gli spazi pubblici delle diversità nel contesto occidentale europeo”, in *CRIOS*, n. 23, pp. 56 – 65.
ISSN 2279-8986

2. 2022 - Paper in English scientific journal - *double blind peer review* - Anvur

Chiara Barattucci – “Italian neologisms to name diffuse urbanization. Relationships between specialised language and urbanism actions”, in *Journal of Urbanism: International Research on Placemaking and Urban Sustainability*, August 2022 (50.000 charact.)
<https://doi.org/10.1080/17549175.2022.2108114>
ISSN 1754-9175

3. 2022 - Paper in scientific journal - Anvur

Chiara Barattucci, “Il ‘tessuto urbano’ in Francia”, *Urbanistica Informazioni*, n. 303, 2022, pp. 334-336.
ISSN 2239-4222

4. 2022 – Paper in Proceedings Congress SIU - Italian Society of Urban Planners

Chiara Barattucci, “Un progetto urbanistico per Venezia fondato sul valore della diversità socioeconomica del tessuto storico”, in *Atti della XXIV Conferenza SIU, 2022*, Planum Publisher (20.000 charact., accepted, *in press*)
