

Fluid Territories: Landscapes, Labour and Logistics

A one day Symposium convened by:

Hamed Khosravi

Taneha Kuzniecowa Bacchin

Filippo LaFleur

Under the framework of the Extended Program of the Dutch Pavilion at the 16th International Architecture Exhibition, La Biennale di Venezia 2018, **The Port and the Fall of Icarus** will host a one-day symposium to discuss the changing inertia and relationships between the port, the city, and the territory.

The discussion will revolve around the concept and issue of labour, economy, and ecology.
