

FASHION AESTHETICS AND ETHICS

a seminar by **Louise Wallenberg**

18.12.2023
Cotonificio
aula Gradoni
3 pm

This seminar focuses on a recent anthology edited by **Louise Wallenberg** and **Andrea Kollnitz** (Stockholm University) on fashion aesthetics and ethics (Bloomsbury, 2023). While discussing the objectives, the work and the content of this anthology, the seminar also invites students to discuss issues of aesthetics and ethics in their own design practices and/or academic writing processes.
