

# WILMOTTE & ASSOCIÉS MEETS IUAV GRADUATES

## Company presentation

Architect, urban planner and designer, member of the French Academy of Fine Arts, Jean-Michel Wilmotte has 250 staff members of 31 nationalities in France, the United Kingdom, Italy and South Korea. In 1976, he founded Wilmotte & Associés, which brings together people driven by the same passion for innovation, sharing and creation. Jean-Michel Wilmotte has a specific interest in developing cultural spaces as well as refurbishing and converting the architectural heritage. W&A develops both innovative and sustainable approaches, with specific attention to landscaping, lighting, materials and finishes, while always being respectful of the local and historic context of the site. Architect Michela Tonus will introduce Iuav graduates to the Studio and a selection of main representative projects.
