

IDEATHON AND OPEN DAY - MIT DESIGNX VENEZIA

a new venture accelerator

With the Iuav collaboration it takes shape in Venice an extraordinary opportunity. The MIT - Massachusetts Institute of Technology and SerenDPT Sbrl organize a two-stage course dedicated to the orientation to self-employment and the realization of new business ideas. Team building is encouraged in the area of: protection and enhancement of the artistic and architectural heritage; tourism of the future, hospitality, mobility and sustainability; water, energy and environment; tools and services for the city and citizens.

Iuav students are welcome to register in this venture by this link >>

Attending the program and presenting a business idea will provide D credits

13-27.5.2022

22.6.2022
