

EssilorLuxottica

PRODUCT DESIGN INTERNSHIP PROGRAM 2023/2024

WHO WE ARE

We are EssilorLuxottica, a global leader in the design, manufacture and distribution of ophthalmic lenses, frames and sunglasses. The Company brings together the complementary expertise of two industry pioneers, one in advanced lens technologies and the other in the craftsmanship of iconic eyewear, to create a vertically integrated business that is uniquely positioned to address the world's evolving vision needs and the global demand of a growing eyewear industry.

With over 180,000 dedicated employees in 150 countries driving our iconic brands, our people are creative, entrepreneurial and celebrated for their unique perspectives and individuality. Committed to vision, we enable people to "see more and be more" thanks to our innovative designs and lens technologies, exceptional quality and cutting-edge processing methods. Every day we impact the lives of millions by changing the way people see the world. Find out more about EssilorLuxottica <https://www.essilorluxottica.com/>

ENVISION YOUR FUTURE JOB

Our Product Design team is constantly looking for new ideas to shape innovative products to meet our consumers' expectations.

For this reason, we are looking for inspiring and creative designers, passionate about fashion, interested in discovering new trends like streetstyle, curious about digital influencing, and enthralled by photography. You must be ready to join us at our Headquarters in Agordo.

Here you will experience what is it like to design new collections for one of the most recognized and iconic brands in the world like Ray-Ban, Persol, Oliver Peoples, Dolce&Gabbana or Chanel, within a young, creative and international community.

We like accountable and entrepreneurial people that take responsibilities from Day-1 by setting high and qualitative standards. During the Product Design Internship Program you will be supported by a Senior Designer in becoming day by day autonomous in both the creative research phase and in managing the different steps of your own projects!

Here are some of the responsibilities you will have:

- Discovering the creative process from trend to product
- Sketching, storytelling and designing product for collections and special collabs of the Luxottica Brands (House Brands and/or licenses)
- Collecting shared briefs with the Product Development Team according to the timeline and the collection calendar/ deadlines
- Creating image mood board and sharing creative ideas
- Rendering 2D and 3D

PORTRAIT OF A PERFECT CANDIDATE

- Currently enrolled or recently graduated in Fashion or Design. Specializations in accessory design or in fashion styling will be considered as a plus
- Sketching, storytelling and product design skills with a preference for fashion / accessories
- High aesthetic and photographic sensitivity, and a sense of fashion
- Excellent skills in the use of Adobe suites (Illustrator) and 3D design and rendering programs (e.g. Rhinoceros, Autodesk, Keyshot)
- Excellent relational and project exposition skills
- Italian and English are mandatory for this role

WHAT ELSE DO YOU NEED TO KNOW?

This is a 6-month paid internship program that will start in September 2023, and which will require full-time commitment (Agordo HQ).

You will be involved in several ad hoc initiatives to accelerate your onboarding in the Product Design team and to discover more about our company, our culture and our people.

Are you ready to join us?

If yes, a fascinating and exciting experience is waiting for you.
