Queen Elizabeth

Travel in the UK and overseas dominated much of Her Majesty's working life. Before she became Queen, she had said, "There is none of my father's subjects from the oldest to the youngest whom I do not wish to greet." During her reign, she visited every realm and every region of the UK, returning to some many times over. Though much of Her Majesty's daily working life was spent in contact with her UK and Commonwealth ministers and representatives, it was her presence in these places during her many official visits which carried the most significance for those who lived there.
