

Video instructions – MS Sustainable transportation and smart maritime mobility

General requirements to be respected:

- maximum length 3 minutes
- maximum size 50mb

Contents details:

Here are the three questions you are required to answer when filming your video.

- 1) Why have you chosen Italy, Venice and this Master's degree for your studies? How do you think Venice and Iuav can add value to your education?
- 2) What is your previous experience related to transport and mobility? What are your expectations regarding this course and your future professional role?
- 3) What complementary aspects (not directly related to transport and mobility) do you consider important in your next academic studies? Do you think that this Master's degree will allow you to apply your knowledge and skills also to non-coastal contexts?
