LEADING THE FUTURE

The cultural legacy of Ed Blakely

With: Pieta Blakely, Peter Kresl, Sandy Burgoyne, Javier Ruiz Sanchez,
Inés Aquilue Junyen, Francesco Musco, Jacopo Galli, Mattia Bertin

Ed Blakely's professional and personal life was devoted to the development and advancement of disadvantaged communities through spatial planning. Ed has been one of the most influential leaders in planning on a global scale, and has left his mark all over the world through his work, combining theory and practice. Today, more than ever, it is urgent to drive a change.
