English summary of the Call for Applications for Admission to the

Erasmus BIP "Entrepreneurship & Business Resilience 2027 Uni Eiffel"

The objective of the Erasmus BIP "Entrepreneurship & Business Resilience 2027 Uni Eiffel" is to encourage students to explore entrepreneurship in a variety of contexts, particularly challenging ones. Through active learning and workshops (including design fiction, inclusive design thinking, sessions to raise awareness of the SDGs, and field trips, among others). It will be a memorable entrepreneurship experience in the students' lives and consciousness.

The workshop will take place in two phases:

– online on February 8, February 15, and March 15, 2027;

– in person from March 1 to March 5, 2027, with workshop activities at Universitè Gustave Eiffel F PARIS483 in Paris.

There are 6 spots available for Iuav students regularly enrolled in a.y 2026/27 second year of the Master's degree program in Curating Arts and Heritage in Intercultural Perspectives.
The following Iuav students are NOT eligible to apply or participate in the workshop:
- students engaged in other Erasmus+ mobility activities for study and/or internships during the dates of the BIP (both online and in-person);
- students scheduled to graduate in the October, November, December 2026, and March 2027 graduation sessions;
- incoming students at IUAV.

Selected students who participate in all workshop activities will be awarded 3 TAF D credits.

Students who take part and earn the necessary credits during their degree programme are eligible for partial coverage of their expenses in the form of an Erasmus grant as follows:

- for a non-green return journey (transport such as plane, ship, car or motorbike) € 309,00 + € 79,00 per day for 7 days (1 day outbound + 5 days of activities + 1 day return) for a total of € 862,00

OR

- for a green return journey, (transport such as bicycle, bus, carpooling, train and other sustainable transport) € 417,00 + € 79,00 per day for 7 days (1 day outbound + 5 days of activities + 1 day return) for a total of € 970,00

In addition, an extra 'fewer opportunities' grant of €100.00 may be awarded to those who can demonstrate a disability and/or who are registered with SpIn as beneficiaries or eligible for the 2026/27 academic year with an ISEE not exceeding the maximum limit of €28,339.88, as established by the Directorial Decree, Directorate-General for the Right to Education, Ministry of Universities and Research No. 176 of 10 February 2026.

The Erasmus grant and the award of the corresponding ECTS credits will be granted exclusively to students after the attendance for the full duration of the online workshop (before and/or after) and in person, and who are therefore not engaged in other Erasmus mobility activities for study and/or placements.

In order To Apply
Log in to SpIn with your username and password, then select "International Mobility > Calls for Applications" from the drop-down menu.

To Participate in the BIP
Students who are selected on the ranking list and wish to participate will receive an email with instructions on how to confirm their participation in the workshop.
