A student-led seminar for the Master's Degree Programme in Architecture, coordinated by Professors Mosco, Iorio and Velo. Students, individually or in small groups, will research a place or architectural topic connected to their country or territory of origin and lead a discussion with peers and faculty.

The seminar takes place on three Tuesdays in the first semester. Active participation, research and a final mini-lecture are required to earn 2 ECTS credits (Type D).

To participate: email lucavelo@iuav.it by 10 October 2026, with the subject "MY OWN TOWN Participation". Further information will be sent directly to participants.
