

GLACIAL THREADS

the “cellulosic” solution by Lenzing

Carlo Covini

Project Manager Marketing Textiles
at Lenzing AG

Seminar organised and introduced by **Lucia Rosin**,
in the context of Fashion Material Design Studio.

The Lenzing Group stands for the ecologically responsible production of specialty fibers based on cellulose and recycled materials. As an innovation leader, Lenzing is a partner of global textile and non-woven manufacturers and drives many new technological developments. The Lenzing Group's high-quality fibers are the raw material for a wide range of textile applications – ranging from functional, comfortable and fashionable clothing to durable and sustainable home textiles.
