

TOWARDS SUSTAINABLE DYES

Color innovation & value in fashion

Andrea Venier

Managing Director, Officina+39

Seminar organised and introduced by **Lucia Rosin**, in the context of Fashion Material Design Studio.

Fashion and Sustainable Chemicals for textile, garments and denim industry. Officina39's real heritage is made up of a thirty-year experience dedicated to research and chemical application in textile.

Inspired by Italian artisanal tradition and creativity, the Team combines passion, innovation, sustainable practices, clean information, transparency and social responsibility. A state-of-the-art application laboratory makes the Company the ideal partner in sustainable trends for apparel industry. Officina+39 produces and sells selected ranges of chemical specialties, dyestuffs and pigments.
