THE VENTOTENE PROJECT

exhibition

The first focus of the exhibition – curated by **Marco Provinciali** e **Angelica Stern** – is dedicated to the outcomes of **Sebastiano Fabbrini's** teaching activities: exercises and student projects from the Jean Monnet Module workshops in 2022 and 2023, and within the "Architettura e spazio della scena" laboratory.

99n+1 Boîte à Miracles Tirreniche

This second focus of the exhibition – curated by **Giulia Conti** and **Alessandro Virgilio Masetti** – is composed by the outcomes of the Jean Monnet Module, workshop (2024) coordinated by **Gundula Rakowitz**.
