

# ENGAGEMENTS

## context porosity habitation

lecture, **Ben Nesbeitt** Worksbureau (Phoenix, Arizona, Usa)  
introduction, **Esther Giani** Iuav

Woven into the intrinsic opportunities of context and program, WORKSBUREAU commissions represent a process of collective vision—built on engagement of the urban fabric, anticipating sensory experience. This is an exploration of phenomena, through multiple building typologies and diverse scales

The lecture is part of the international workshop
